/ ALL ABOUT ME

I am a motivated and detail-oriented Frontend Developer who is passionate about conscientious design and refined code. I have 1.5+ years of experience as a software engineer working primarily in React and Typescript. I love a challenge, and am excited by the opportunity to create innovative solutions to problems. With an extensive background in art and design, I am creative and meticulous in my work, and I love being able to take my artistic mindset and apply it to the dynamic field of coding.

/ EDUCATION HISTORY

>> Georgia Institute of Technology

Full Stack Web Development Certificate| 2021

>> Elon University

BFA Fine Arts, BA Art History | Class of 2017

/ WORK EXPERIENCE

>> Software Engineer

Intraloop, Inc. | October 2021 - January 2023

- > Collaborated with a team of 6 engineers to build product development software in a React Native app and an administrative website
- > Component Library Project: Built out complex and dynamic components for reusable component libraries used in both web and mobile applications
- > Project Management: Communicated between the design and engineering teams to decomp product designs and feature sets into user stories and composable tickets for engineers
- > Worked extensively in React, Typescript, styled-components, React Native, NextJS, and various APIs

>> Software Engineer Intern

Intraloop, Inc. | July 2021 - October 2021

- > Built out frontend React components for administrative website
- > Conducted quality assurance tests on web and mobile applications
- > Conducted pull request reviews
- > Researched libraries and APIs to help expedite application development

>> Transfer Adviser

Savannah College of Art and Design| Aug 2019 - Mar 2021

- > Advised caseload of ~400-600 undergraduate transfer students regarding transfer credits and registration
- > Worked with multiple departments to develop events and curate information to best serve our students
- > Hosted events to drive enrollment
- > Tracked, entered, and evaluated transfer info for all admitted students

>> Assistant Director of Admission

Savannah College of Art and Design| Nov 2017 - Aug 2019

- > Managed, advised, and advocated for a caseload of 650+ students from over 30 states for college admission
- > Built relationships with prospective students and encouraged them to matriculate if SCAD was the right fit
- > Guided students in developing a financial plan

/ TECHNICAL SKILLS

>> Programming Languages

Typescript, JavaScript ES6, CSS3, HTML5, CouchDB, SQL

>> Libraries and Frameworks

React, React Native, styled-components, Storybook, Node.js, Material UI, JQuery, Bootstrap, NextJS, Express.js

>> Tools & Platforms

Git, GitHub, Visual Studio Code, Docker, XCode

/ OTHER INTERESTS

Digital Illustration, Muay Thai, art history, costume and prop-making, the history and context of the Internet
