/ ALL ABOUT ME

I am a motivated and detail-oriented Full Stack Web Developer who is passionate about learning new skills and methodologies. I have 3+ years experience in Higher Education Admissions in a fast-paced, constantly changing work environment. I love a challenge, and am excited by the opportunity to create innovative solutions to problems. With an extensive background in art and design, I am creative and meticulous in my work, and I love being able to take my artistic mindset and apply it to the dynamic field of coding.
